We would like to thank all of the advisors, judges, and parents who helped make the 2022 Region 9 Conference a success. It is with your help and support that our students have the opportunity to compete today and better themselves for the State Conference in April, and then the National Conference in June. These students are truly "Learning to lead in a technical world."

Congratulations to all of the students today for your hard work and dedication, best wishes to you today as you compete respectfully with your peers.

Thank you,

The Region 9 Planning Team
Kirk George, Stacy Hallman, Breanna McNamara,
Josh Pennington, Matt Rimby, Ella Sweet, Mike Quendro
