PA-TSA & Seven Springs Resort – LODGING POLICY

The purpose of this message is to communicate to all TSA advisors the way in which lodging will be handled for the 2022 PA-TSA State Conference at Seven Springs Resort. The agreed-upon policy between PA-TSA and Seven Springs Reservation Department is as follows:

- Every school reservation is numbered in order as it is received by Seven Springs and that order is followed when assigning rooms.
- If schools request to be near other schools, the later of the two (or three or four, etc.) received reservations is used as the priority ranking for that group of schools.
- The hotel is filled first, followed by the chalets, followed by the condos, followed by any available additional space.
- This policy applies to both middle and high schools – no priority treatment is given to older or younger students.

New for 2023:

- Both conference registration and hotel registration deadlines have shifted to earlier in the year to compensate for on-going supply chain issues. Seven Springs must receive hotel reservations by March 1, 2023 and PA-TSA conference registration will close on March 15, 2023.
- Any student with food allergies that require special dietary planning must contact Seven Springs directly at least three weeks prior to the start of the conference (by March 29, 2023).

THINGS TO CONSIDER WHEN PLANNING FOR LODGING FOR THE 2023 STATE CONFERENCE:

- All projects must be registered/dropped off during the predetermined times. If this is not possible, you need to contact the Conference Director ahead of time to see if special arrangements can be made.
- Test times are not flexible. If a chapter/member is not present Wednesday night, they forfeit those testing times and will have to use the times on Thursday.
- If a chapter does not attend the Awards Ceremony and requests their trophies be sent to them after, the Chapter will be billed for the shipping costs. When possible, chapters should make arrangements to have neighboring chapters pick up their trophies for them. Requests for trophies must be made no more than two weeks after the end of the State Conference. Please keep in mind that conference planning team is composed entirely of volunteers and requesting trophies be delivered after the conference creates an additional burden for those volunteers.
