Explanations or Suggestions:

**IMPORTANT:** Judging decisions CANNOT be appealed based on information found on this feedback form, as its sole purpose is to be a learning tool for future project improvements.

**STUDENTS:** This is your chance for feedback – no form - no feedback. Judges are not required to fill this out. This form should be the first page of your binder and does not count as an official page in the binder. Otherwise, submit the form with your project, display or at the start of your speech/interview.
